

346 Parkview Estates Strathmore Alberta

\$990,000

A prime 0.65-acre vacant lot in Strathmore, Alberta, zoned R3 for high-density multi-family housing (up to 100 units), offers opportunities for development, including affordable or senior housing. The parcel dimensions are 63.92m x 41.17m. Buyers can develop or hold the property as Strathmore grows. Nearby, De Havilland Canada is establishing a major aircraft manufacturing facility in Wheatland County, 30 minutes east of Calgary. The facility will feature an assembly plant, runway, parts manufacturing, distribution, maintenance centers, workforce training space, offices, and a museum, boosting regional development and employment opportunities.
