

352 Copperfield Gardens Calgary Alberta

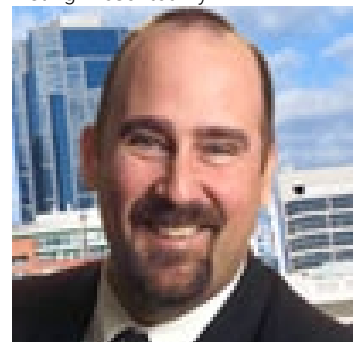

\$554,900

| 4 Level Split | 4 Beds | 2 Baths | Good Location | Double Garage | Welcome to this beautifully renovated and incredibly inviting 4-level split detached home, offering an impressive combination of space, style, functionality, and value! With approximately 1,517 sq. ft. of living space, this home is thoughtfully designed for modern family living and is an excellent opportunity for first-time home buyers, growing families, or anyone looking for more room to spread out. Step inside and immediately appreciate the bright, open-concept layout, creating a warm and spacious atmosphere perfect for entertaining family and friends. The recently renovated interior offers a fresh, modern feel while maintaining the comfortable character of a true family home. With 4 bedrooms and 2 full bathrooms, there is plenty of room for everyone, along with flexibility for a home office, guest room, or hobby space. The unique 4-level split design provides excellent separation between living areas while maximizing usable space throughout the home. The open main living area is ideal for relaxing and entertaining, while the additional levels offer privacy and versatility for the entire family. Outside, enjoy your own private yard, offering a great space for summer BBQs, children to play, pets to enjoy, or simply relaxing outdoors. The double detached garage provides secure parking and valuable storage space, while the yard gives you the privacy and outdoor space that buyers are always looking for. Located in a convenient and desirable area close to everyday amenities, this home truly checks the boxes for comfort, space, updates, parking, and outdoor living. Homes offering this combination of size, renovation, 4 bedrooms, a double garage, and a private yard are hard to find! Whether you're purchasing your first home or upgrading to accommodate a growing family, this property is an opportunity y...
