

405 Highwood Village Place High River Alberta

\$739,000

This beautifully modified bi-level home is situated on a quiet cul-de-sac in the Highwood Village community. Fourteen-foot vaulted ceilings paired with a skylight bring abundant natural light into the home, enhancing a sense of scale, airiness, and architectural elegance throughout the interior. The open yet well-defined living areas flow naturally, with a gas fireplace adding warmth and character. Tucked away on its own level, the private primary bedroom provides a peaceful retreat, thoughtfully separated from the main living spaces. The finished lower level offers bright, versatile space that can comfortably accommodate a range of everyday living needs. Comfort is further enhanced by central air conditioning installed in 2024, while the double attached garage is equipped with upgraded 220V wiring and a hot and cold water sink, complemented by an extended parking pad to support daily parking requirements. Outdoors, the fully fenced backyard features a spacious deck and added 220V electrical service, seamlessly extending the living space. With schools, parks, a spray park, shopping, and Highwood Lake all within walking distance, along with an abundance of nearby recreational amenities, this home offers a well-rounded lifestyle in High River.
