

408 37 Avenue Calgary Alberta

\$700,000

Prime inner-city redevelopment opportunity in Highland Park! This fully cleared, vacant R-CG lot is set on a quiet cul-de-sac and features rear lane access with no homes behind, offering a rare combination of privacy, flexibility and long-term value in one of Calgary's most connected NW communities. Highland Park continues to stand out as a sought-after location thanks to its central setting and unbeatable access to everyday amenities. Enjoy quick connectivity to downtown via Centre Street and Edmonton Trail, along with excellent transit options including the MAX Orange rapid bus corridor along 16 Avenue NW for efficient commuting across the city. Surrounded by established neighbourhood conveniences, you're just minutes from the shops, cafes and services along Centre Street and 4th Street, with easy access to major retail hubs like North Hill Centre and Deerfoot City. Outdoor and recreation lovers will appreciate the proximity to outstanding outdoor spaces like Confederation Park, Nose Hill Park, Mount Pleasant & Highwood outdoor pools, off-leash areas, and community playgrounds and pathways that are perfect for walking, biking and year-round enjoyment. Sports and recreation are also close at hand with amenities like the Calgary Winter Club, Renfrew Aquatic & Recreation Centre and The Winston Golf Club, all just a short drive away. Families and future buyers will also value the strong schooling options from elementary through to post-secondary at SAIT/ACAD and the University of Calgary. Whether you're a builder, investor or end user looking to create a custom inner-city project, this clean-slate R-CG lot offers outstanding potential in a mature neighbourhood with ongoing redevelopment, excellent walkability and lasting demand.
