Maison Glow is a well-established massage and spa wellness business for sale, offering a turnkey opportunity in a high-demand market. Take advantage of this opportunity to own Maison Glow, a growing massage and wellness business in Calgary's desirable west end. The current owner has outgrown the existing three-bay setup and is relocating to a larger space, creating an excellent chance for a new owner to step into a professionally built, move-in-ready operation. Strategically positioned to serve the communities of Montgomery, Bowness, and Rockland Park, the location offers convenient access—approximately 10 minutes to downtown and about 5 minutes to the University District and nearby hospital.
