Welcome to the Onyx by Sterling Homes Calgary! Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home. Discover this thoughtfully designed 2025 specification home featuring a rear kitchen layout with stainless steel appliances, chimney hoodfan and gas range, spacious island and walk-in pantry. Quartz countertops with undermount sinks are featured throughout. Enjoy walk-in showers in both the ensuite and main floor bath, with durable LVP flooring in all bathrooms and across the main floor. The home also offers a main floor den and full bathroom, convenient side entrance, upper floor loft, and a generous walk-in closet in the primary bedroom. Finished with dining room wall detail and paint grade railing with iron spindles for a stylish touch. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches--all seamlessly controlled via an Amazon Alexa touchscreen hub.
