Located on a quiet street in a great location, this long term homeowner has made the decision to introduce this extremely well maintained home to the market. The main level includes a generous sized kitchen complete with plenty of cupboard space, and a dining room which opens up to a large living room, which boasts a cozy wood burning fireplace. West facing front deck offers a great spot for the BBQ and invites maximum natural lighting into the dwelling. Completing the main level are 2 good sized bedrooms and a full bathroom. Lower level includes a large recreation room, a flex area, a nicely renovated full bathroom, and a third bedroom making it a perfect fit for the growing family. A newer furnace and hot water tank are simply icing on the cake. Private and fenced backyard includes ample parking and a shed with plenty of room for a future garage. Super close to the Bow River pathway system, area shopping, and easy access for the downtown commute or a weekend trip to the mountains. Homes of this potential and quality do not come on the market. Now is the time to take advantage of the tremendous opportunity. (id:6769)
