

# 512 Highland Close Strathmore Alberta

\$499,900

Not every great home has to come with a scary price tag. This one is all about value plus room for sweat equity. It's a fully developed two-story home with 5 bedrooms and 2.5 bathrooms, an attainable price point, and a layout that works for real life. Newer appliances, and hot water tank. There's a nice-sized fenced backyard you'll actually use -- whether that's for kids, dogs, summer evenings, or just having your own space. This home is a great fit for first-time buyers or families looking for more room without stretching their budget. It's practical, comfortable, and one of those homes that just makes sense. If you've been waiting for something that feels doable and exciting -- this could be it. (id:6769)
