\$669,000

With over 2,500 sqft of living space, which includes 4 bedrooms and 3 full baths, plus a 2-bed, 1-bath LEGAL BASEMENT SUITE, this home, built by Trico in 2025, offers space, flexibility, and long-term value. The main floor is open and bright, finished with LVP flooring, QUARTZ counters, stainless steel appliances, and modern TWO-TONE CABINETS. The living area is anchored by a large electric FIREPLACE, creating a cozy family space. A MAIN FLOOR BEDROOM with an ensuite FULL BATH adds flexibility for guests, extended family, or a home office. Central A/C keeps the home comfortable in warm summer months. Upstairs, there's a BONUS ROOM that works well as a family hangout or play space. The PRIMARY BEDROOM includes a WALK-IN CLOSET and an ensuite with DUAL SINKS and a TILED SHOWER. TWO MORE BEDROOMS and another FULL BATH, along with a convenient LAUNDRY room, complete the upper level. The basement was finished by the builder and includes a LEGAL 2-BED, 1-BATH SUITE with LAUNDRY and a private REAR ENTRANCE. The layout and size make it well-suited for rental income or extended family, offering real flexibility for changing needs over time. Outside, there's a back deck, and the yard is partially fenced. There's space to park two vehicles, with room to build a garage in the future while still keeping a usable backyard. One of the standout features of this location is the GLACIER RIDGE VILLAGE, slated to open in April 2026 and located just down the street! Designed for year-round use, the outdoor spaces include walking paths, a skating ribbon, playgrounds, basketball and tennis courts, a spray park, ice rink, firepit areas, and a toboggan hill. Inside, residents will have access to a gymnasium, gathering areas, program rooms, and spaces that can be rented for private events. Glacier Ridge is built around everyday convenience and family life, with parks, pathways, and services...
