

552 Redstone Drive Calgary Alberta

$499,900

Located in the community of Redstone, this almost 1,400 sq. ft. home features an open-concept layout with 9' ceilings and hardwood flooring throughout the main level. The bright and spacious living room flows into the modern white kitchen complete with upgraded quartz countertops, a large island with seating, and a generous dining area. A convenient powder room completes the main floor. Upstairs offers a spacious primary bedroom with a walk-in closet and private ensuite featuring a walk-in shower, along with two additional well-sized bedrooms, a full main bathroom, and upper-floor laundry. The basement features a separate side entrance and remains undeveloped, offering excellent potential for future development. The backyard has a good-sized deck and a rear parking area. This home is close to transit, shopping and parks and has easy access to major thoroughfares for commuting. (id:6769)
