If you've been waiting for a townhouse that feels like home from the moment you step inside, this is it. Immaculate, upgraded, and styled to perfection, this 1,170 sq. ft. 2-bedroom, 2.5-bath home stands out from the rest. The main floor's open concept layout is bright and airy, anchored by a designer kitchen with quartz counters, a large island, and quality finishes. Even the flooring and tile have been upgraded, adding style and durability throughout. A welcoming front porch, custom feature walls, and a rear mud room leading to the attached garage add both function and flair. Upstairs, two spacious bedrooms each have direct access to a full bathroom. The primary suite boasts a walk-through closet and private ensuite with an oversized stand-up shower. Convenient upper laundry and thoughtful storage make everyday life easier. The basement is ready for your future plans, while low condo fees and remaining builder's warranty give you peace of mind. Outside, you're steps to walking paths, parks, playgrounds, and the canal, with schools, shopping, and dining nearby. Every detail is done, all that's left is for you to move in and enjoy. (id:6769)
