

622 Edmonton Trail Calgary Alberta

\$20

Well-located 1,363 sq. ft. third-floor commercial unit along Edmonton Trail, offering excellent access to downtown Calgary and major arterial routes. This space is well suited for professional office, administrative, or service-based users seeking an inner-city location with strong connectivity. The third-floor positioning provides a quieter working environment and functional layout options to accommodate a variety of business uses. Surrounded by established amenities, transit access, and nearby residential density, this property presents a solid opportunity for owner-users or investors. (id:6769)
