BEAUTIFUL, FULLY RENOVATED with one of the NICEST BALCONIES in the building! #1206 is situated in Eau Claire on the SW corner of the 'Prince's Crossing' building, just 2 blocks south of the Bow River. Recently renovated, this property was redesigned to be functional and modern, making wise use of every square foot of space. Appealing, timeless, durable, premium finishes were chosen including white quartz countertops, vinyl plank flooring, solid wood cabinetry with soft close hardware, plush carpet and matte black plumbing fixtures. New, top-quality appliances were selected - brand new bar fridge and microwave to be installed first week of June. An abundance of storage was purposely considered and includes extra cabinetry and custom floating shelving in the kitchen, a front entry closet, a primary bedroom walk-in-closet, laundry closet and an in-unit storage room. The large west facing windows off the dining and living room provide incredible views and bright light. The extra-large balcony is perfect for entertaining or lounging as you watch the sunset. Amenities in the building include a fitness area, a coin laundry and concierge. Other businesses conveniently located in the building are a Montessori day care, mini market, dry cleaners and Buchanan's chop house. Eau Claire offers quick access to all the bicycle and walking paths along the Bow River and direct access via the Pedestrian bridges to Prince's Island Park; an urban oasis with festivals, gardens, picnic areas, playgrounds, restaurants and an on-leash dog park. Walk to one of the many outstanding restaurants and coffee shops in the neighbourhood or take the short walk across the river to Kensington. Condominium fees include: heat, electricity, water/sewage, insurance & reserve fund contributions.
