

789 Medispa Calgary Alberta

$289,999

You have found an exceptional opportunity to acquire a recognized and well-established medical aesthetics brand, with a loyal client base! Built on a foundation of professional service, trusted client relationships, and consistent brand recognition, this MEDISPA has developed a strong presence within the growing cosmetic and medical aesthetics industry as evidenced by its 5 star google review. This business has established a strong clientele through proven treatment procedures, operational systems, digital and marketing assets and consistent warm and welcoming experiences for customers. Unlike starting a new clinic from the ground up, this opportunity allows a purchaser to step into an existing operation with many of the essential components already in place which would take years to establish. Operating for over a decade, the premises were developed from shell-condition into a fully functioning aesthetics clinic. With the purchase of this business, you will enjoy an established brand, active clients and their database, treatment systems, operational processes, equipment (not included but can be negotiated), marketing presence, and a reputation developed over years of service. This MEDISPA business provides a diverse selection of in-demand medical aesthetic and cosmetic treatments designed to meet the needs of a broad and growing client base. The clinic's range of services, combined with repeat clientele and continued public interest in non-surgical cosmetic treatments, creates opportunities for ongoing revenue growth. With multiple rooms, a new owner may have the ability to further expand the brand, introduce additional services, strengthen existing marketing strategies, increase treatment capacity, or explore new markets and locations. This acquisition may be particularly suitable for: an established medical aesthetics or cosmetic clinic group seeking expansion; ...
