

1253 Mayfair Rd Comox BC

\$895,000

This exceptional property is ready for you to create your dream home scenario. Located in a desirable area of Comox, close to the ocean and the little river nature park on a generous 0.62-acre lot. The highlight of this property is the presence of not just one, but two homes, providing for homeownership and investment opportunities. The Carriage home above a 2 car garage was built in 2014, and a new septic system was installed in 2014 as well that is ready to be tied into by a second home. The main house, a 1950's rancher has been renovated and is ready to rent
