\$779,000

Always dreamed of owning a log home on the water? Here's your chance! Cozy yet spacious 3 bedroom plus den, 3 bath home overlooking Holberg Inlet and the entrance to Quatsino Sound. The main floor offers a welcoming entrance, 2 bedrooms, full bathroom, kitchen and spectacular oceanview living and dining room. Nice sunny deck to enjoy the views. The downstairs walkout level offers a workshop at the back with laundry room, full bathroom, den, and oceanview family room which leads to the covered deck to enjoy the outdoors all year round. Upstairs is fully master bedroom with open closet area leading to the ensuite. Many lovely extra features such as fresh air exchange, skylights and windows galore for natural light throughout, rock & rope features built in to give this a true log cabin feel. Walk on waterfront for easy outdoor access to boating, fishing, crabbing, prawning, kayaking and wildlife viewing. Waterfront is becoming harder to come by - don't miss your chance on this one.
