

2733 Kendal Avenue Cumberland BC

\$599,000

Modern Cumberland rancher with a mature ever-changing landscaped yard! The mix of colourful evergreens, annuals and Japanese maples along with the gentle slope of the land make for a gardener's dream or a child's wonderland as well as providing some unique privacy. Inside you'll find high end features such as oak hardwood floors, solid wood kitchen cabinets and stainless steel appliances. A comfortable open living space can be heated or cooled by a high efficiency heat pump and a cozy gas fireplace. The slightly separated 3rd bedroom has lots of potential for a home based business, art studio, den or teen getaway space. There is also a huge easy access crawl space for plenty of dry storage. Topping off this package is a newer central vacuum, gas hot water tank and sprinkler system throughout the backyard. All of this is located within a short walk to historic and vibrant downtown Cumberland, restaurants, pubs and epic mountain biking and hiking trails. Quick possession available if desired. List price \$599,900, sale price \$603,210.
