

639 Cooper Street Campbell River BC

\$419,900

This 3 bedroom, 2 bathroom rancher is perfectly situated in the heart of Georgia Park. It backs onto an elementary school field, has a fenced yard and lovely layout. When you walk in, you will notice the living and dining areas, walk through to a kitchen that overlooks the family room with a sliding door to the back yard. Down the hall are all 3 bedrooms and both bathrooms, one of which is an en suite. Walk through the laundry room into the double garage. The house was built in 1997, has original shake roof, electric baseboards for heat plus a cozy gas fireplace and sits on a crawl space.
