

10015 Siddall Rd Sidney BC

\$875,000

Ideal property for the family needing a little extra space. Currently has 5 bedrooms - 4 up and 1 on the main. Several private areas to relax in - deck off the second floor, full width patio off the family room and the deck in the rear garden. Even better is the location - close to Sidney Elementary school and access via the bike path to the middle and high school. Several upgrades to this unit make it a very comfortable home. Nice large lot with ample space for any vehicles you have or space to let the kids play. The property is a Gardners delight with ample opportunity to grow your own veggies and flowers.
