Kayak or canoe and experience the serenity of the "non-motorized" lake. Follow the private driveway past towering trees and interesting pathways. You will pass the tractor shed, the spacious workshop and the cozy guest cabin. The carriage house with its lake views offers flexible accommodation options for now and in the future. A great place to reside while you add your personal signature to the main residence. This custom designed log home residence offers two levels of lakefront living plus a full basement. Positioned on a promontory part of the property it takes advantage of lake and mountain views. The house is finished to drywall. It is ready for you to add your special finishing details, finalize a kitchen to your exact specifications and create your lakefront dream home.
