\$1,150,000

Your acreage lifestyle awaits on this 2.16-acre rancher property, complete with the ultimate bonus: a massive, fully heated 6-car shop and a self-contained 1-bedroom suite above it. The main home offers comfortable one-level living with 3 bedrooms and 2 bathrooms, ideal for families, downsizers, or anyone wanting space without stairs. Large windows, an easy-flow layout, and peaceful views make the home feel warm, bright, and inviting. Outside, the land provides room to spread out—whether you want to garden, store equipment, build, host, or simply enjoy the privacy and quiet that acreage living brings. The shop is the true showstopper: heating system, a bathroom, storage, and space for projects, vehicles, or a home-based business. The suite above adds even more flexibility—perfect for extended family, guests, or rental income. A rare combination of land, lifestyle, and versatility—properties like this don't come up often.
