

1252 Pacific Rim Hwy Tofino BC

\$2,295,000

Nestled on 1.48 acres of coastal rainforest - a 5-minute walk from Chesterman Beach - this one-of-a-kind property blends the beauty of cedar, fir and cherry wood finishings, natural lighting, and unique architectural design, to create a forest retreat that defines west coast. The main house features two bedrooms, skylights, an open walkway, and bathroom with peak-a-boo views of the mudflats, ocean and mountains. Downstairs, the cathedral ceiling, french doors and windows assures the kitchen, dining and living areas are bright and airy. Outside, find multi-level decks, a Hobbit-like cabin, gardens and two insulated workshops. Separate from the main house is a 1-bedroom carriage house with handcrafted built-ins, a J?tel wood stove and cedar/glass decks. Property zoning permits main home or cabin as a nightly rental - a significant mortgage helper. Too many features to describe - request a package or book your showing.
