

4098 Buckstone Rd 137 Courtenay BC

\$799,500

This gorgeous patio home perfectly balances farmhouse charm with modern elegance. Thoughtfully designed & beautifully finished, it offers style & comfort at every turn. Step inside to an open-concept main floor where natural light fills the space. The custom fireplace with gas insert creates a cozy focal point, while upgraded lighting adds an extra touch of sophistication. The kitchen is a dream, complete with custom cabinetry, walk-in pantry, tiled backsplash, & gas stove. The primary suite feels like a private retreat, featuring a spacious ensuite with heated floors, under-cabinet lighting, & beautifully tiled shower. The living room's coffered ceiling adds to the home's timeless character & warmth. This home offers exceptional energy efficiency with a heat pump & HRV system, delivering comfort that's both cost-effective & environmentally friendly. Includes one of the largest yards in the complex. A rare blend of design, sustainability, & easy living. This home truly stands out.
