

1396 Seaview Rd Black Creek BC

\$1,477,000

Walk on waterfront! Listen to the waves serenade you. Unsubscribe from your meditation apps and live amidst nature's symphony. Life's simple, island-style! You can find your haven amongst modern and rustic homes. Nestled in forest and ocean, welcome to paradise. Truly grounding, this charming three-bedroom 2, two-bathroom bungalow was initially built as a pan-abode-style home that received an excellent addition. Each room has a vaulted ceiling and is dressed in solid wood. With character galore, the wood walls, brick fireplace and Spanish-tiled floors give it just the right touch of warmth. Several doorways lead to the outside; there are many areas on this .43-acre property where you can sit and enjoy the breathtaking views. A creek borders this property, and for fun, when the tide is right, launch your kayak and ride out into the ocean! There is also a detached shop. Zoned for a carriage house or second dwelling, this property is perfect for those with bigger plans.
