

141 Cedar Lane Salt Spring BC

\$1,585,000

In The Round - Located in a friendly neighbourhood on a 3/4 acre woodland, my folks moved to this geodesic dome home in 2002. Over the years, it has provided family and friends with an inspiring environment to share and enjoy the unique nature of Salt Spring. A mix of cozy and creative spaces present with an authentic yet current sense of design. Perhaps much like the architecture itself intended, this wonderful house has circled back to being offered for the first time in decades.
