\$1,329,000

A fully renovated home is a wonderful space to embark on new beginnings! A 5-bedroom, 3-full bathroom, 2-kitchen space with a separate entrance in the Gordon Head Community sounds amazing. A home with a separate suite and entrance can offer not only privacy but also potential mortgage help. The additional space provides versatility, making it a unique and potentially financially advantageous arrangement. The open kitchen and collaborative design with the homeowner make it truly special. Having grapes, blueberries and rose berries in your backyard must create a delightful and colourful garden. This home is conveniently close to UVIC, schools, Majestic Park, and Mount Douglas. Location-wise, it offers proximity to various amenities and natural beauty. A "well-done" home showcases creativity and thoughtful planning, reflecting a space designed with care and intention. All furniture in this home is negotiable, offering flexibility for customization based on preferences.
