

182 Grantville St Salt Spring BC

\$849,000

Newer 2014 Salt Spring Island home blends quality craftsmanship with a bright, inviting layout. A vaulted living room that brings in wonderful natural light creates an airy West Coast feel. The kitchen is finished with custom wood cabinetry, granite countertops, and stainless-steel appliances, and a separate laundry room with front-loading machines adds everyday convenience. Two comfortable bedrooms are located on the main level, while the entire upper floor is dedicated to a spacious primary suite—over 400 sq. ft.—complete with a four-piece ensuite and excellent closet space. Thoughtful custom cabinetry carries through to the bathrooms, adding continuity and warmth. Cedar siding, generous roof overhangs, and an exposed-aggregate walkway wrap the exterior, giving the home a timeless character and practical weather protection. All of this is set just a few blocks from the beach, offering the ease of coastal living in a peaceful residential setting.
