

# 1957 1959 Wilfred Rd Black Creek BC

\$1,150,000

These two brand new homes are currently being built by MHH Construction Ltd. They offer the perfect blend of privacy, independence, and convenience. On a .41-acre lot, a short distance from nearby beaches, parks and trails, the homes provide the perfect opportunity for outdoor enthusiasts to explore the natural beauty of the area. Situated only 20 minutes from both Campbell River and the Comox Valley, they offer easy access to local amenities. Each of these homes is designed with privacy in mind, as they are completely separate dwellings, allowing for a sense of space and independence compared to a traditional house with a suite. Live in the main home and use the secondary home as a mortgage helper or for multigenerational living. The covered patios invite you to relax and unwind while enjoying the peaceful views. The homes are expected to be ready by Spring 2025, giving you time to select your preferred finishes and truly make the space your own.
