

2168 Winfield Dr Sooke BC

\$1,199,900

An absolute must see! This sprawling 2018 home built borders parkland and exudes quality and style and provides the ultimate in contemporary living. Beautifully landscaped, attractive curb appeal where the surprisingly modest exterior belies the home's true size although the 3 bay garage might provide some inkling of what's in store... one can't help but be impressed with the layout and home design with 3554 sq ft, 4 Bedrooms, 4 Bathrooms & a terrific suite. It's an open plan featuring huge vaults, gourmet kitchen, office, large living & dining spaces, massive mostly covered entertainment sized deck, and plenty of windows looking into the large fenced and incredibly private rear that trails off into parkland on one side and rear. A master on the main with large walk-in and gorgeous ensuite. The totally separate attractive, legal 1 BR suite over the garage makes a handy little income generator or the perfect guest suite - AirBnB anyone?. One home that certainly won't disappoint!
