

2391 Steelhead Rd Campbell River BC

\$1,325,000

Quintessential west coast home & property oozes with island life appeal. Complete with its own private fishing access along the northern shores of the famed Campbell River, less than 5 minutes to downtown, this great home is seemingly a world away. Mature zen-like landscaping greets you upon arrival & the custom home is ideally situated to maximize privacy & harmonize with its surroundings. The west coast inspired home has been completely updated by its current owner of 25 years, with care to maintain its natural esthetic. You'll love the central living/dining and kitchen area that opens to a private south facing yard & covered patios overlooking the river. You will appreciate the rest of the home & updates, including vaulted fir beams, old growth flooring, heated tile floors in bathrooms & mud room, granite countertops, custom edge grain fir cabinets in the kitchen & so much more. This is a truly special opportunity that seldom comes to market.
