

## 2821 Wellington St Cumberland BC

\$1,550,000

Two pristine over 2000 square foot homes on a gorgeous and private .55 acre lot. The main home has been extensively renovated in 2023 including a brand new chefs kitchen with quartz countertops and metal roof. The outdoor entertainment area for the main home is incredible, you will love spending evenings by your covered outdoor fireplace! The 2nd home, built in 2009; is grand and spacious and enjoys a lovely rear yard patio and beautiful garden area with privacy fencing. Metal and cedar fencing throughout the property creates tranquil private areas. There is a 20' wide unused alley that (Cumberland has no intention to revitalize)acts as a buffer between the rear neighbour. A rare opportunity to purchase two incredible homes on a massive private lot, in Cumberland's nicest and most sought after neighbourhood. There are so many exquisite touches throughout this property and both homes. Must be seen to be fully appreciated.
