A rare Departure Bay find for the person who isn't afraid of a little work but wants that gorgeous Ocean view. This one comes with a 3 car garage that has the Insulated entrance doors. Metal roof on house and garage is a real nice touch. Yes this one is dated but there is lovely hardwood floors and a stunning stone fireplace to work with. It is very open kitchen to living room plan and has 3 Bedrooms. Sliding patio door to deck where you will find lovely ocean views and a great place to enjoy your morning coffee in radiant morning sun. Lower level rec room needs some carpeting. At the lower level is the entrance to the large 3 car garage. In this size of yard you will find tons of room for that R/V and/or recreational boat. The driveway lets you enter from either street. A real bonus. Don't hesitate.
