

3 Grant Rd Lasqueti Island BC

\$950,000

10 acres of oceanfront off grid living on Lasqueti Island. A rare opportunity to own oceanfront in one of North America's largest off grid communities. This handcrafted log home offers 1,300+ sq.ft. with skylights, wood stoves, and unique artisan details. At the end of a maintained highways road, the property has a short driveway, privacy, and easy access. A drilled well provides fresh water. Level land includes a large fenced garden area suitable for farming or agriculture, and a greenhouse with a wood stove to heat beds for winter growing. Surrounded by mature forest with old growth sized trees, the property offers seclusion and wildlife habitat. A hilltop pond feeds a licensed micro hydro system, complemented by wind turbines for reliable off-grid power. Steps from the ocean, enjoy shoreline access, forest trails, and stunning views. Perfect as a seasonal retreat, full-time escape, or the start of your island lifestyle.
