

3375 Island Hwy Cobble Hill BC

\$500,000

1.18 acres on the trans Canada Hwy. The home that was on the tot was mostly destroyed by fire and will have to be cleaned up. There is a large 2 story workshop type building at the back of the property that will need some work. This property has a large frontage and would certainly be a candidate to rezone for great highway exposure or rebuild the home that was there.
