

103 Ashlar Ave 35 Nanaimo BC

\$329,900

You'll be impressed by this nicely updated patio home located in quiet Ashlar Place. This clean and bright two bedroom end unit features a good sized living area with vaulted ceiling, open eating area, newer kitchen and bathroom renovations and updated flooring throughout. There is a good sized laundry area and as a bonus the storage room has inside access that other units don't have. A nice touch indeed. There is a covered rear patio area along the back with more storage in the outside shed which the seller says is the only one in the complex. There is a covered parking spot right beside the home with visitor parking in front. Overall this is a well maintained home in a quiet 55+ complex in a peaceful but central location
