\$529,800

Discover the perfect investment opportunity with this multi- zoned (RM-1 zoned) lot allowing 3 or 4 units. You could retain one tile and have it as an investment or strata tile the individual units. It's a good size (0.28 acre) and is located between the corner lot and level entry house to the north. The layout options will give you possible town house style or small apartment style depending on your plan. Check it out and plan for the future as multi zoned lots have been hard to find over the years.
