\$1,130,000

A sigh of relaxation escapes your lips as you drive up the long, gentle curves of the tree-lined driveway. The kids play soccer on the grassy field, and your greenhouse and garden of fruit trees, berries, and raised veggie beds are ripe with the fruits of your labour. Inside, your lovely 4 bed + den, 3 bath home offers ample gathering spots for friends and family such as the large, sun-washed, feast-ready kitchen with vaulted ceilings. The dining area spills out onto the back deck for more intimate meals and visiting. The main living room features a cozy wood stove. Ideally situated on the main floor is the primary bedroom with large ensuite, along with another bedroom. Downstairs you'll find two bedrooms and a den, all centered by a massive family room. Outside, you have a double car detached garage with plenty of additional parking for guests, RVs and boats. With 2.8 acres there's even room for carriage suite (buyer to confirm with the RDN).
