

426 Heather St Victoria BC

\$1,380,000

Beautifully renovated, sundrenched home on a quiet side street in James Bay. Completely and tastefully renovated throughout with much thought and design put into every detail of this home. From the moment you step into this home you will appreciate the custom fir staircase leading to the main floor. Vaulted ceilings add to the drama of the Livingroom and kitchen. Gourmet kitchen/dining room is not only functional but finished with many custom built-in fir cabinets, stone counter tops and gorgeous high end tile work. So much thought put into custom storage and details. Access off the dining room to a west facing garden complete with a pond. Garden is lovely. Master bedroom on the main with spa like attached bathroom and lots of closets. The full height lower level has a nice sized recreation room or could be 3rd bedroom. Another bedroom here plus laundry and another well appointed bathroom. This perfect inner city home is immaculate and on a low maintenance lot.
