\$3,495,000

Sophistication and style on the sunny shores of Scott Point, this architecturally inviting beach house is a contemporary shangri-la designed for life on the sea. Luxurious comfort mingles with a beautiful blend of wood and glass overlooking serene coastal landscapes and brilliant blue waters. Comfortable open living-spaces consider their impressive outlooks while factoring both family and formal environments with grace and care. Outdoors, loggias and terraces give onto brick and stone pathways leading to an exemplary workshop/studio in one direction and a fully equipped dock/float in the other. A very special ocean home with every coastal element in place!
