\$2,089,000

Get ready to fall in love with this spectacular waterfront property! Created by Zebra Designs, this superbly crafted home features vaulted ceilings, warm oak floors, beautiful millwork and gorgeous lake views from all principal rooms. The open kitchen is perfect for entertaining, as is the magnificent great room with wet bar and wood-burning fireplace. Spacious master bedroom with a spa-inspired ensuite. The almost 12,000 sq. ft. property has been artfully sculpted with the natural environment and includes a deluxe driveway, detached workshop, a small bunkie, and impressive rock walls and gardens that gracefully enhance the feeling of privacy and blissful sanctuary. By far the best part is found along the lakeshore: dip your toes in the water of the sandy beach, swim from the deep water dock, bask in the rare-to-find grassy lawn on the water's edge, or simply relax under the gazebo and wallow in the ever changing views. Live on the lake - an oasis in paradise. Must see!
