

5952 Race Point Rd Campbell River BC

\$1,495,000

Race Point Road is one of the hidden gems of Campbell River. It is an established subdivision of primarily waterfront properties leading up to Race Point where the tidal waters of Seymour Narrows meets with Discovery Passage. One of the benefits of island living is the multitude of waterfront lots, but not all waterfront lots are equal. Location matters and this lot has it. An unobstructed view of the entrance to Seymour Narrows. This large family home has plenty of bedrooms and bathrooms for family or guests. The downstairs was once operated as a spa, the view is truly therapeutic. The home is ready to move in with hardwood floors, tiled bathrooms and a large wraparound deck. The house is being offered with all the chattels so you don't even need to shop for furniture. If you are looking for an exclusive West Coast Vacation Home or want the private life, this is it.
