\$599,990

Don't miss this rare one level end unit townhome with two beds and two baths. The open floor plan makes the home feel very spacious, the skylights and large windows make it bright even on cloudy days it also has a lovely patio that is open to a large green space. Newer windows and heat pump help it stay cool in the summer and cozy in the winter. The complex is very neat and tidy and strata is well managed
