\$799,900

Discover this charming 1.24-acre property in the Highlands—just 10 minutes from Costco and Millstream Market. The primary bedroom includes a 2-piece ensuite, with two additional bedrooms, a den/office (potential 4th bedroom), and laundry area. Highlights include laminate floors, Hardie board siding, and a heat pump (requires servicing). Outside, relax on the private patio surrounded by a park-like setting with level lawns, gardens, a stream, trails, and a treehouse. Detached workshop, storage building, and ample parking with RV space. New well pressure tank. A peaceful family-friendly property—perfect for kids and pets. Some notice required for showings, as it is tenanted.
