

691 MARINER Dr Campbell River BC

\$1,149,000

This ocean-view home is a masterpiece with plenty of room for a family or a professional couple! Showcasing timber accents and contemporary coastal hues, the atmosphere is warm and inviting. This new kitchen is a showstopper with a 14' island, quality wood cabinets with soft close doors/drawers, quartz counters, a rich backsplash, and a walk-in pantry -- it's worthy of a magazine spread. The open-concept layout seamlessly integrates the kitchen with the dining area and living room, where the windows frame breathtaking ocean and mountain views. Move-in ready with wide-plank engineered flooring and freshly painted walls in airy tones! Two separate decks with ocean views offer perfect spaces for enviable entertaining. The primary bedroom is a sanctuary, with a window that perfectly frames the ocean view, a luxurious new ensuite with a walk-in shower and the bonus of hot water on demand. The entrance and niche areas at the front entry are equally impressive and showcase your art pieces.
