This beautiful fully renovated home sits on nearly half an acre within walking distance to all amenities. The open concept living area and large quartz island are an entertainers' dream. 3 bedrooms, 2 with walk in closets and 2 large baths give ample living space for the family. The sunroom off the main living space is ideal for quiet mornings with a cup of coffee or tea, and is equipped with exterior/interior roller shades on those warm summer days. The massive south-facing beautifully landscaped yard has a 732 sq. ft. patio/deck with partial cover for shade and a gazebo with a salt water hot tub. Plenty of RV parking and a large detached two bay garage with completely upgraded electrical. Plus an attached 160 sq. ft. garden shed/workshop make this the package complete. At almost half an acre, take advantage of the new RI zoning, or look into subdividing this large lot.
