1060 Sutlej St 7 Victoria BC

\$1,049,000

This 3 bed, 3 bath Fairfield home lives more like a house than a townhouse. With no neighbours on three sides, you get privacy and natural light without maintaining a full yard on your own. Steps from Cook Street Village, yet set back in a small, well-run strata, the location strikes the right balance between walkability and quiet. Walk to Beacon Hill Park and Dallas Road in minutes. A gas fireplace anchors the main living space, with a separate dining area flowing into the living room. The main level also includes a bedroom (ideal for a home office or guest room), bathroom, and laundry room. French doors open to a private garden with a flagstone patio, irrigated perennial borders, and mature trees. Upstairs, the primary suite features a private ensuite and two walk-in closets.
