

725 Beaver Creek Blvd Campbell River BC

\$938,500

Welcome to your New Construction Semi-Custom Certified Built Green Home! Move in ready with an Excellent Energuide rating of only 53 GJ per Year; equaling lower hydro costs for you. The home is pre-wired for an electric car plug-in, has increased air quality & energy star windows. Features like Smart Home Media, a heat pump, on-demand hot water, accessible friendly, wall soundproofing in the laundry room, bathrooms & Primary bedroom make this home stand out. Inside you'll find all custom wood cabinetry, quartz countertops, hardwood & tile flooring including heated ensuite floor. This lot has a well-appointed, fully fenced and landscaped backyard with plenty of space and of course a beautiful large 20'x17' covered patio with access from both the kitchen and the primary bedroom. Built by TRF Woodcrafts Ltd, our local Certified Built Green Builder; this is a home you will not only see the quality... you'll feel it; and you will appreciate all the well thought out details for years to come.
