

## 7405 Thornton Hts Sooke BC

\$1,599,850

Iconic views of the Juan De Fuca Strait and a complete luxury renovation inside and out make 7405 Thornton Heights a standout on the market. This 3-bed 4-bath designer home thoughtfully incorporates premium natural materials like post and beam construction, cedar and douglas fir tongue and groove ceilings, including a natural Vancouver Island stone surround fireplace. Spectacular finishes adorn the open-concept kitchen and living space, leading to an expansive deck to enjoy the sunset. Walk-in closets in each bedroom and redesigned bathrooms throughout showcase high-end finishes inspired by a local interior designer. Built with ICF construction in the foundation and the walls, this high-efficiency property ensures your monthly costs to heat and cool the home are extremely low. Paired with the electric Covana roof cover on your hot tub and the EV charger in your garage, you don't have to sacrifice sustainability for splendour. Simply too many features to list.
