

741 Alder St Campbell River BC

\$1,399,900

Truly a unique find in Campbell River. This legal Triplex was built in 2019 and has incredible ocean views from the top and middle floors and beautiful walkout patio and gardens on the lower level suite, just a minute walk to downtown. This triplex is 3 stories, each level containing 3 large bedrooms, 2 bathroom units, all with lots of windows and 9' ceilings. so much potential and would make a great multi generational home, or turn key investment as its got great tenants already in place. Has detached 3 car garage and 3 outdoor parking spaces as well.
