

8035 Greendale Rd Lake Cowichan BC

\$1,810,000

HAPPY HORSE POTENTIAL! This property has been the center of activity for friends, family, and community events. The huge barn adapts to several uses, including storage, mechanics and livestock rearing. The massive hoist makes it easy to move heavy loads and the 200amp separate service provides ample power. The house is custom designed with wood milled on the property (Mill is still there) and has marvelous carved features by local artist, Zak Stolk. Four or five bedrooms, depending on your needs. A suite is possible with minimal work. The outdoor kitchen is perfect for cleaning crab and the 10'x5' cooler room, (with game rack), makes entertaining a breeze. Geothermal is in place to offset the cost of heating and cooling. Rarely do you find flat, cleared land on our Beautiful Island, giving you room for an indoor arena or keep it pastureland. This large family home with multiple outbuildings is a dream for anyone seeking a blend of rustic charm and modern convenience!
